UCAES - Field Trips Permission 2017-2018

During the school year there are times when our educational program is taken out of the classroom and into the community. Rather than asking for permission on each occasion, your signature below indicates approval for your child to participate in all the field trips during the current school year. Through email, calendars, newsletters or special activity notes, you will be informed of times and dates of each field trip prior to the event. This will give you an opportunity to contact your child's teacher if you have questions or choose for your child to not participate.

Child's Name: _____ Date: _____

I grant permission for my child to participate on field trips. Yes ◯ No ◯

Parent/Guardian Signature_____

Parent/Guardian Print Name _____
